

Upcoming Workshops on Bioregional Planning for Aggregates

Submitted by Tim Hayward, Ontario Nature

Ontario Nature is holding a series of workshops on Bioregional Planning for Aggregates.

These workshops are an opportunity for you to provide input on aggregate planning in your community. We will be taking the results from these sessions to the aggregate industry and the provincial government.

The following workshops are scheduled:

February 6 in Whitchurch-Stouffville

February 9 in East Gwillimbury

February 28 in Scugog

If you would like to attend one of these workshops, please contact:
